Restrictions and Requirements for Team Hammer Advanced Riding School

- You must complete all required forms and pre-register with payment; we must receive your forms at least 7 days before the school you wish to attend. Late registration: If space is available, at-track registration will be accepted with an additional \$50 fee. Certain schools fill up prior to the 7-day deadline and if a particular school is already full when you attempt to register, you will not be allowed to attend.
 - You must use your own motorcycle at the school, and your motorcycle must pass tech inspection before you will be allowed on the racetrack. If you do not wish to ride your motorcycle on the racetrack, you can attend the classroom portions of the school only.
 - You must supply and wear your own good-condition one-piece leather riding suit, full-face helmet, leather gloves and leather riding boots at least 8-inches in height. Two-piece leather suits that zip together at the waist are allowed only if the zipper extends around the entire circumference of the waist; two-piece suits that only zip together at the rear of the waist are not allowed. A limited number of leather suits are available for rental (boots and gloves are not available); call for information.
 - You must agree to follow all School and Track Ride rules and instructions at all times during the school day. Reckless riding will result in loss of track privileges for the day without refund. Any crash ends the rider's track privileges without refund. No drugs or alcohol are allowed on the racetrack premises during the School or Track Ride day. All scheduled track time is subject to change due to emergency or track conditions. No rain checks.
 - Your bike must be in good functional condition with safe tire tread depth and good working brakes. All glass and plastic lenses must be either removed or school mechanics will tape them over with duct tape. Rearview mirrors must be removed; if you don't know how to do this, Team Hammer mechanics will do it for you at the racetrack.
 - You must sign all liability releases and you must return the original copies of the releases to us.
 - You must bring your own food and water with you. Riding in a leather suit around a racetrack is very strenuous, especially on hot days. Bring at least one gallon of cold water or sports drink per person and make sure you drink enough to replace fluids lost by sweating, respiration, etc. If you feel too hot, rest in shade and drink cold water or sports drinks. You must also bring gas for your bike. Race gas is available for purchase at most racetracks for about \$6.50 a gallon and up.
 - You must show up at the track on time and proceed to registration and then to technical inspection.
 - Refund policy: Cancellations and refund requests must be received in writing at least 10 days prior to the event. If a refund request is received after that, no cash refund will be made, but a credit will be issued to be used within one year at a Team Hammer event in the future.

1. **HEREBY RELEASES AND DISCHARGES FOR ALL TIME** Team Hammer, Inc., their retailers, their affiliates, subsidiaries, agents, employees, instructors, riders, mechanics, servants, sponsors, suppliers, officers, and directors, from all liability to the undersigned or anyone representing the undersigned for any loss or damages, on account of injury or damage or losses sustained by the undersigned, including his death, as a result of riding and/or participating in the above named School or Track Ride or Practice, whether caused by the negligence of Team Hammer, Inc., and whether on or off the racing premises, while the undersigned is participating in any School or Track Ride or Practice events or preparing to participate in any School or Track Ride or Practice events.

2. **HEREBY ASSUMES FULL RESPONSIBILITY FOR AND RISK OF BODILY INJURY, DEATH OR PROPERTY DAMAGE** while participating in any School or Track Ride or Practice events.

3. **HEREBY WAIVES ANY CLAIMS AND DOES COVENANT NOT TO SUE TEAM HAMMER, INC.**, John Ulrich, Trudy Ulrich, M4 or American Suzuki Motor Corp. for any claim which he may now have or may acquire against said entities or against any of their agents, representatives, or employees by reason of any injury or damages or loss sustained by him, including his death, as a result of participating in any School or Track Ride or Practice events whether on or off racetrack premises, regardless of the cause thereof.

5. **HEREBY UNDERSTANDS** that Section 1542 of the California Civil Code provides that a general release does not extend to claims which the undersigned does not know or suspect to exist in his favor at the time of signing the release, which if he knew or suspected such claims, would have materially affected his willingness to sign the release.

6. **HEREBY WAIVES HIS RIGHTS** under Section 1542 of the Civil Code of California and any similar law of any other state, and acknowledges that this waiver is an essential term of this release without which he would not have signed this release. **THE UNDERSIGNED REPRESENTS THAT HE HAS READ, UNDERSTANDS AND IS VOLUNTARILY SIGNING THE RELEASE AND HOLD HARMLESS AGREEMENT**, and further represents that no verbal statements have been made to the undersigned to induce him to sign this Agreement.
