Restrictions and Requirements for Team Hammer Advanced Riding School

- ✓ **You must have prior racetrack experience** in order to attend the Team Hammer Advanced Riding School at Daytona. Racetrack experience includes participation in an on-track racing school or track day event. ***If you have no prior racetrack experience, you are not eligible to participate.***
- ✓ You must complete all required forms and pre-register with payment; we must receive your forms at least seven days before the school you wish to attend. Late registration: If space is available, at-track registration will be accepted with an additional \$50 fee. Some schools fill up prior to the seven-day deadline, and if the school is already full when you attempt to register, you will not be allowed to participate.
- ✓ You must use your own motorcycle at the school, and your motorcycle must pass Tech Inspection before you will be allowed on the racetrack. If you do not wish to ride your motorcycle on the racetrack, you may participate in the classroom portions of the school only.
- ✓ Your bike must be in good functional condition with safe tire tread depth and good, working brakes. All glass and plastic lenses must be either removed or taped; if you wish school mechanics will tape them. Rearview mirrors must be removed; if you don't know how to do this, Team Hammer mechanics will do it for you at the racetrack.
- ✓ You must supply and wear your own good-condition one-piece leather riding suit, full-face helmet, leather gloves, and leather riding boots at least 8-inches in height. Two-piece leather suits that zip together at the waist are allowed only if the zipper extends around the entire circumference of the waist; two-piece suits that only zip together at the rear of the waist are not allowed. A limited number of leather suits are available for rental (boots and gloves are not available); call for information.
- ✓ You must agree to follow all School rules and instructions at all times during the school day. Reckless riding will result in loss of track privileges for the day without refund. Any crash ends the rider's on-track riding privileges without refund. No drugs or alcohol are allowed on the racetrack premises during the School day. All scheduled track time is subject to change due to emergency or track conditions. No rain checks.
- ✓ **You must sign all liability releases.**
- ✓ **You must bring your own food and water with you.** Riding in a leather suit around a racetrack is very strenuous, especially on hot days. Bring at least one gallon of cold water or sports drink per person and make sure you drink enough to replace fluids lost by sweating, respiration, etc. If you feel too hot, rest in shade and drink cold water or sports drinks. You must also bring gas for your bike.
- ✓ You must show up at the track on time and proceed to registration and then to technical inspection.
- ✓ Refund policy: Cancellations and refund requests must be received in writing at least seven days prior to the event. If a refund request is received after that, no cash refund will be made, but a credit may be issued to be used at a future Team Hammer event.
